Dear Beetle:

This is just a note to let you know that all of us over here are thinking of you and wishing you a speedy recovery.

I suppose it is too much to hope that you will be up and around in time to join us for the cornerstone ceremony at the new headquarters building next Tuesday, and we shall certainly miss you if you can't make it. In any event I am looking forward to a good talk as soon as you are well enough, as there are a number of things I would like to take up with you.

With every best wish.

Faithfully yours,
